### Your choice of an Apple iPhone 14 or Samsung XCover6 Pro

#### AINA PTT Button

The Smart Button is a Bluetooth key that remotely controls your smartphone's Push-To-Talk app and other applications.

#### GPSLockbox Heavy-Duty Universal Cupholder Mount

Fits easily into car or truck cupholders, with the base able to expand up to 3.5" in diameter. The spring-loaded grip fits most devices up to 5" wide and holds phones securely while making it easy to insert or remove. The mechanism allows for flexible positioning to view the screen from any angle.

#### Seat Wedge Mount

A mount that fits seamlessly in the space between your front seat and the console. This includes the GPSLockbox Mega Grip universal holder, the sturdy pedestal, plus, a built-in compartment for small items. Padded sides keep the wedge securely in place, and the two sides can be adjusted to accommodate tighter spaces.
